

# Glen Osmond Farm

Very Special Kids provides families with relaxing breaks at a peaceful farm just outside the township of Woodend, just over an hour north-west of Melbourne.

Glen Osmond Farm features two separate purpose-built holiday cottages that can sleep up to eight people in three bedrooms. There is also a big wooden barn on the property for entertainment and amazing views across to Mount Macedon. And best of all, there is no charge for families to use the cottages.

A stay at Glen Osmond Farm can be used as a base for taking in the wonderful rural surrounds of Woodend and the wider Macedon area. Or families might like to just have a break and read a book, take a stroll with your camera, or sit out in the al fresco dining area and watch the kangaroos - just be sure to bring some warm clothes, it can be chilly at Woodend any time of year!
