

Bereaved Parent Weekend

You are invited to attend the Very Special Kids Bereaved Parent Weekend.

The weekend is an opportunity to spend time remembering your child, sharing memories, joy and sadness with other parents supported by Very Special Kids in a safe and welcoming environment. We hope that it will also give you an opportunity to reflect on your grief experience so far.

Therapeutic activities will include massage, Turkish Hammam, mindful bushwalk, yoga and relaxing social activities.

Accommodation is in private rooms with ensuite facilities. There is no cost to attend the weekend, with the exception of the Friday night meal. The weekend is available to parents only, and it is important the program is attended in its entirety.
